

# Cross Search

Every 6 months we receive an updated cd containing the Lee County Directory. Find names and phone numbers for all of your clients. Create mass mailings to neighborhoods, specific streets or luxury homes. This directory has an unlimited amount of searches and can do reverse lookups. The uses available are too numerous to list.

**How to make more money**

▼ **Real Estate Agents**  
Want to sell more homes? Search here for a list of renters or people in homes 4+ years. Radius search around your listing and send a postcard to nearby prospects.

► **Insurance Agents**  
► **Home Services**  
► **Business Services**

Don't see your industry? Call 800.925.4654.

Search online to...

- Get a contact name at each company you contact for better sales results.
- Find nearby prospects on a map & set-up meetings with an online contact manager.
- Reduce your directory assistance costs.
